

SALES POLICY

SALES POLICY, Kilamongo Gold has adopted a system of selling its products by use of direct sales under strict cash basis under various payment methods that will be convenient to both buyer and seller which will be defined in their contract of sale. It is important to note that Kilamongo Gold will never sell a single kilogram of its minerals commodities based on online domiciliary payment modes or the unallocated method in use by banks and other financial institutions.

Our commitment to Sales is based on the following practices:

QUANTITY TO BE ORDERED

Kilamongo Gold will sell its mineral products on minimum is 1Kg to any buyer worldwide and maximum will be any amount that will be desired and will be available at that particular time or within the company's stock.

PRICING

Pricing policy of minerals is being determined by the world market. Therefore, Kilamongo Gold pricing system of its minerals will based on these established institutions.

DELIVERY

We are capable of handling in a competent way and fashion and in every aspect and respect of our deliveries to various locations. For more information send your inquiry to marketing@kilamongo.com

Kilamongo Gold undertakes to regularly review this marketing policy and ensure that corrective and preventative actions are taken in order to ensure continual improvement.
